

Post-it ideas storm

What will you need?

- Different coloured post-it notes.
- Pens.
- Flipchart.

How does it work?

Divide the Explorer Scouts into small groups and give each group some post-it notes and a pen. (each group to have different coloured post its if possible)

Write the questions/topics to be discussed on a flipchart.

Questions/Topics

- Format of the meeting held in the Senedd - was it Committee or Plenary?
- What was being discussed?
- Who was taking part? (Only AMs or were there invited guests too)
- The behaviour of those taking part.
- How were decisions made during the meeting?
- What did you find interesting?
- Would you have liked to have asked those taking part a question? If so, what?

Ask the groups to write down their answers/comments on the post-its, one comment to each post-it.

Leaders to collect the post-its as they are generated and place them on the flipchart next to the mentioned question/topic, clumping similar answers/comments together.

Once all the answers/comments are collected, feed them back and discuss in a wider setting.
