

# Preparing to meet your Assembly Member (AM)

## General facts:

How many Assembly members are there?  
What's the name of your constituency?  
Who is your constituency AM?  
How many AMs represent you?  
Who are your regional AMs?  
How many constituencies are there in Wales?

## The Assembly Member

Who are you meeting - What's their name and to which party do they belong?  
Which committees are they a member of?  
Do they also work for the Government?

## What can you ask?

What matters are being discussed by the Assembly at the moment?  
What's the best thing about being an AM?  
What's the worse thing?  
Are you a member of a Committee?  
What's a normal day for an AM?  
What's the most interesting thing to have happened in the Assembly since you've been an AM?  
What would you like the Assembly to achieve in the future?

You can find more information about your AM on the website:

[www.assemblywales.org](http://www.assemblywales.org)

Or how about looking through your local newspapers?  
You can also find out more by contacting the AM yourself.
