Technical Advice Note 4 Retailing and Town Centres was produced in 1996 and has not been updated. However, the policy for planning and town centres contained in Planning Policy Wales was updated in November 2005.

I am awaiting the report of the Enterprise and Business Committee following the conclusion of its Inquiry into the regeneration of town centres and will consider any recommendations which may be made in respect of the planning system.

As I am sure you are aware, on the 22<sup>nd</sup> November I made a statement on the Wales Infrastructure Investment Plan (WIIP) and my intention to publish an outline version of WIIP in Spring 2012.
