Gofyn i'r Gweinidog dros Blant, Addysg a Dysgu Gydol Oes

Andrew RT Davies (Canol De Cymru): Pa asesiad y mae'r Gweinidog wedi'i wneud yng nghyswllt canran y cyllid gan Lywodraeth Cynulliad Cymru y dylai Awdurdodau Addysg Lleol allu ei chadw allan o'r arian sydd ar gael i ysgolion am y gwasanaethau y maent yn eu darparu ar eu rhan. (WAQ57060)

Andrew RT Davies (Canol De Cymru): Yng nghyswllt cytundeb Llywodraeth Cynulliad Cymru â CLILC ar ariannu ysgolion, a wnaiff y Gweinidog ddatganiad am sut y bydd y cytundeb hwn yn arwain at ddarparu mwy o adnoddau ariannol i ysgolion yng Nghanol De Cymru. (WAQ57061)

I have not made a specific assessment in that regard. The majority of money granted by the Welsh Assembly Government to Local Authorities is not specifically earmarked for education. Local Authorities are responsible for funding their schools and must do so in the way that ensures best use of public money and the best outcomes for pupils – this continues to be the case.

The WLGA has pledged to increase delegation from the current 75%. They have committed to increase it to 80% in two and 85% in four years.

The nature of the target and the numbers were offered by local government, not set by me. It is a positive move. It chimes strongly with the themes identified by PricewaterhouseCoopers; it will increase the proportion of schools expenditure that schools themselves have control of and I welcome it.

Gofyn i'r Gweinidog dros yr Economi a Thrafnidiaeth

Mark Isherwood (Gogledd Cymru): Pwy sy'n gyfrifol am gynnal a chadw Pont Droed Dwygyfylchi dros yr A55 (y Bont Haearn) a pha gyntundeb sydd ar waith i'r perwyl hwn. (WAQ57065)

We are continuing to work to resolve the ownership and liability issue surrounding the footbridge and continue to carry out regular routine maintenance and inspections. There are no current concerns about any major maintenance requirements but any proposals must compete with other schemes and prioritised accordingly.

Gofyn i'r Gweinidog dros yr Amgylchedd, Cynaliadwyedd a Thai

Brynle Williams (Gogledd Cymru): A wnaiff y Gweinidog gadarnhau pa gyfran o dyrbinau gwynt yn Ardaloedd Chwilio Strategol TAN:8 fydd yn cynnwys metelau prifwynau a ddaw o Weriniaeth Pobl Tsieina. (WAQ57067)

The Welsh Assembly Government does not collect this information as these are commercial matters for the wind power companies.

Gofyn i'r Gweinidog dros Iechyd a Gwasanaethau Cymdeithasol

Andrew RT Davies (Canol De Cymru): A wnaiff y Gweinidog ddatganiad am y capasiti niwrolawdriniaeth yn ardal Bwrdd Iechyd Caerdydd a'r Fro, gyda phwyslais penodol ar gapasiti ymgynghorwyr ac amseroedd aros. (WAQ57064)

I refer you to my letters of 6 and 14 January updating Assembly Members with the Adult Neuroscience Review.

The delivery of neurosurgery in line with waiting times targets is a matter for Cardiff and Vale University Local Health Board. The neurosurgery service is now fully integrated onto the University Hospital of Wales site, clinical staff have been transferred, new dedicated theatre facilities are fully operational and new ward facilities became operational in January.

Gofyn i'r Gweinidog dros Faterion Gwledig

Brynle Williams (Gogledd Cymru): A wnaiff y Gweinidog gadarnhau faint yn llai o arolygiadau a gynhaliwyd yn ystod 2010 o ganlyniad i'r adolygiad parhaus o fiwrocratiaeth ar y fferm. (WAQ57059)

The number of on farm inspections required is governed by European regulation and therefore remains in line with these requirements.

As part of the ongoing review of on-farm red tape, the burden on farmers is being reduced by coordinating inspections where a farm is required to be inspected for more than one reason. As a result of this co-ordination the total number of separate visits has been reduced by 290, due to joint inspections being carried out in 2010.

Andrew RT Davies (Canol De Cymru): A all y Gweinidog gadarnhau pryd y mae'n bwriadu cyflwyno'r rheoliadau drafft yng nghyswllt bridio cwn gerbron y Cynulliad i'w cymeradwyo. (WAQ57062)

There has been a substantive response to the consultation on draft regulations on dog breeding and all will be properly considered in detail. This takes time. These responses and our analysis will be placed on the website when available. I will be making a statement on the process for introducing draft legislation on dog breeding in due course.

Andrew RT Davies (Canol De Cymru): Pryd y bydd adran y Gweinidog yn cyhoeddi ymateb i ymgynghoriadau ar y rheoliadau drafft yng nghyswllt bridio cwn. (WAQ57063)
