Dear Andrew,

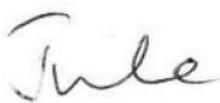

You recently tabled the following written question,

***What number of young people in care have been housed in bed and breakfasts, hostels or hotels in each of the last 7 financial years? (ref WQ85692)***

I would like to advise placements of children looked after at 31 March of each year can be found on StatsWales: [Children looked after at 31 March by local authority and placement type \(gov.wales\)](https://stats.wales.gov.uk/Children%20looked%20after%20at%2031%20March%20by%20local%20authority%20and%20placement%20type)

The accommodation at date of ceasing to be looked after for young people aged 16 or over who left care during each year can be found on StatsWales: [Accommodation at date of ceasing for children looked after during year ending 31 March \(aged 16 and over\), by local authority and accommodation type \(gov.wales\)](https://stats.wales.gov.uk/Accommodation%20at%20date%20of%20ceasing%20for%20children%20looked%20after%20during%20year%20ending%2031%20March%20(aged%2016%20and%20over)%20by%20local%20authority%20and%20accommodation%20type)

Yours sincerely,
