# **UK Government Legislative Programme 2005-06: Outcome of Bills**

## **1 Introduction**

The UK Parliament was prorogued on Wednesday 08 November ahead of the State Opening of the new session of Parliament on Wednesday 15 November 2006. A number of Bills in the UK Government's legislative programme for the 2005-06 session failed to receive Royal Assent before prorogation.

Of the nineteen Bills remitted to Assembly Committees, sixteen received Royal Assent. Of those outstanding, two were withdrawn. The remaining Bill was a draft Bill and the relevant Assembly committee responded to a consultation on the proposals.

This paper covers the details and outcome of the Bills formally remitted to Assembly committees, and other Bills of likely interest.

It also includes a complete list of Public Bills in the 2005-06 session.

**Bills remitted to Subject Committees**

Bill	Outcome	Subject Committee to which Bill was remitted	Notes
<b>Animal Welfare Bill (G)</b>	Royal Assent 08/11/06 <i>Animal Welfare Act 2006</i> (Ch.45)	Environment, Planning & Countryside 19/01/06 <i>Considered at meeting</i> 27/01/06 <i>Committee's report on the Bill published</i>	The Act brings together and modernises welfare legislation relating to farmed and non-farmed animals, some of which dates from 1911. Among other things it introduces a duty on owners and keepers of all vertebrate animals - not just farmed animals - to ensure the welfare of animals in their care. It will mean that, where necessary, those responsible for the enforcement of welfare laws can take action if an owner is not taking all reasonable steps to ensure the welfare of their animal, even if it is not currently suffering.
<b>Charities Bill [HL] (G)</b>	Royal Assent 08/11/06 <i>Charities Act 2006</i> (Ch.50)	Social Justice and Regeneration 28/09/05 <i>Considered at meeting</i> 06/10/05 <i>Committee's report on the Bill published</i>	Although this is a non-devolved matter, the voluntary sector is included in the portfolio of the Minister for Social Justice and Regeneration. The Act includes provision for the National Assembly for Wales to give financial assistance to charitable, benevolent or philanthropic institutions.
<b>Childcare Bill (G)</b>	Royal Assent 11/07/06 <i>Childcare Act 2006</i> (Ch.21)	Education and Lifelong Learning 08/02/06 <i>Considered at meeting</i> 24/02/06 <i>Committee's report on the Bill published</i>	The Act places a new duty on local authorities to secure sufficient childcare and early childhood services (including information to parents).

The Act requires consultation with the Assembly on any RRO relating to Wales and its consent to an RRO which changes Assembly's powers.
