Aunwyl Ieuan

In Plenary on 16 June, you asked me for details of the UK Cabinet Committees of which the Secretary of State for Wales is a member. I regret the delay in replying; membership details have only recently been published following last month's reshuffle.

Peter Hain is a member of 20 Cabinet Committees and Sub-Committees, and I attach details of these. Further information is available on the Cabinet Office's website (www.cabinet-office.gov.uk). The capacity in which he serves on each committee, and his role more generally, are of course matters for him and his colleagues and not me.

I am copying this letter to Nick Bourne and Mike German.
