Dear Samuel,

Thank you for your oral question on 15 September, regarding equine identification and the forthcoming UK Government consultation.

I committed to meet with officials to discuss this further and provide you with a written update.

The UK consultation relates to England only, there are no immediate plans for a similar consultation in Wales at this time. However, I have asked officials to meet with Welsh Passport Issuing Organisations and other equine stakeholders to discuss changes proposed by the UK Government consultation and to get their views on the accuracy of Welsh passports.

Regards,
