Dear Darren,

I write further to the recent holding reply you received regarding WAQ6819.

Since 1999, the Cyrenians Group has benefited from around £2.7m of Welsh Government funding and approximately £8.3m of EU funds. For EU funds this includes £5.7m through the 2007–2013 Structural Funds programme for the Supported Employment and Training (CSET) project, which ended in November last year, and £2.65m for six projects through the Structural Funds programme 2000–2006.

Since 2012, the charity has also received Welsh Government funding via the City and County of Swansea for the *Supporting People Programme*.

Finally, I understand that Cyrenians has also received funding from the Big Lottery and Comic Relief, whose contact details are as follows:
