Dear Paul,

I am writing to response to WQ86554: Will the Minister confirm how many start ups have been supported via the Business Wales Accelerated Growth programme in 2021 and in 2022 so far?

The Business Wales Accelerated Growth programme (AGP) forms part of the wider package of support for start-ups offered by the Business Wales service, as well as help offered via the Young Persons Guarantee.

The Business Wales AGP provides individual support to selected high growth pre-revenue and SME businesses. The programme has supported 52 starts-ups in 2021 and 36 in 2022 to date.

Yours sincerely,
