Hyd Toriad y Cynulliad

Mae'r Cynulliad Cenedlaethol yn mynegi ei ofid ynghylch hyd y toriad y cytunwyd arno ar gyfer y flwyddyn i ddod. Cred ei bod yn ormodol ac yn annerbyniol torri ar waith Llywodraeth y Cynulliad am dri mis dros yr haf a chytunir y dylai'r Cynulliad benderfynu faint o wythnosau y dylai ymgynnull yn ôl y gwaith sydd ganddo i'w wneud yn hytrach na sawl wythnos o doriad y dymuna Aelodau'r Cynulliad eu cael.

Amount of Assembly Recess

The National Assembly expresses concern at the amount of recess weeks agreed for next year. It believes that it is excessive and unacceptable for the Assembly Governments Business to be curtailed for three months over the summer period and agrees that the Assembly should decide how many weeks it sits for by the amount of work it has to do rather than how many weeks recess that Assembly Members wants.

Mae’r Cynulliad Cenedlaethol yn mynegi ei bryder am gynlluniau Consignia, sydd eto i’w cyhoeddi, i beidio ag agor un ganolfan bost yng Nghymru ar y penwythnosau, ac i redeg y gwasanaeth dosbarthu a danfon ym Manceinion, Wolverhampton a Bryste. Mae’r Cynulliad Cenedlaethol yn galw ar Consignia i ailystyried y penderfyniad hwn, ac i gydnabod y sefyllfa wleidyddol newydd sy’n bodoli yng Nghymru yn dilyn creu’r Cynulliad Cenedlaethol.

The National Assembly expresses concerns at the plans to be announced by Consignia that no mail centre will operate in Wales at weekends, and that Welsh deliveries will be serviced from Manchester, Wolverhampton and Bristol. The National Assembly calls on Consignia to reconsider this decision, and recognise the new political situation which exists in Wales following the creation of the National Assembly.

Gweithredu'r NSF Diabetes ar gyfer Cymru

Mae'r Cynulliad hwn yn gresynu at y dataganiad diweddar y bydd oedi wrth gyhoeddi Fframwaith Gwasanaeth Cenedlaethol (NSF) Diabetes ar gyfer Lloegr, ac yn galw ar Lywodraeth Cymru i:
· Datgan yn glir beth fydd goblygiadau'r gohirio hwn i Gymru, a phryd y dechreuant weithredu'r NSF Diabetes ar gyfer Cymru
· Ymroi i lunio NSF fydd yn ateb gofynion cleifion, ac i ymghynghori'n agored â chleifion a phroffesiynolion gofal iechyd am sut i wireddu safonau'r NSF yn ymarferol
· Rhoi canllawiau clir i'r NHS yn lleol i ddechrau gosod sylfeini gweithredu'r Fframwaith"

Implementation of the Diabetes NSF for Wales

This Assembly regrets the recently announced delay in the publication of the Diabetes National Service Framework (NSF) for England, and calls upon the Government of Wales to:
· State clearly what the consequences for Wales of this delay will be, and when they will begin implementing the Diabetes NSF for Wales
· Commit to the production of a patient-friendly NSF, and to open consultation with patients and healthcare professionals about how to make the NSF standards work in practice
· Give a clear guidance to the NHS locally to begin putting in place the building blocks for implementing the Framework
