Government and Communities, on 30 July 2012**

At/To William Powell:

Following approaches to me by constituencies in rural Carmarthenshire who are not presently covered by the Bwcabus scheme, will the Minister confirm whether he has any plans to extend the scheme further during the Fourth Assembly, and will he provide details of any such plans (WAQ60943)

On 9 July, I launched the expanded Bwcabus, demand-responsive service in Carmarthenshire and Ceredigion. This is a project that has been developed in partnership between Carmarthenshire County Council and the University of Glamorgan. The expansion of the service is being made possible by the financial support of £400,000 from the Welsh Government and £1.8million from the Wales European Funding Office.

I do not have any plans for the further expansion of the Bwcabus service during this Assembly Term.
