Dear James

I am writing in response to WQ87686. I apologise for the delay in responding to you.

Ministers and officials across the Welsh Government routinely meet with officials in the EU institutions including the European Commission, European Parliament, Committee of the Regions and European Economic and Social Committee. The purpose of this engagement is to reinforce Welsh Government's commitment to working with European partners on shared policy interests; understand policy developments that may have implications for Wales and the continued delivery of the remaining EU funds in Wales.

Yours sincerely
