Dear Ken

Further to my answer to you during Business Questions in Plenary on 6 December regarding progress with the Advanced Technical Research Centre (ATRC). I explained that Welsh Government is progressing with the design and master planning of the ATRC site and that we have identified an operator. However, I was incorrect in saying that we have identified an appropriate operator when in fact we are still at the stage where we are seeking to identify one. Please accept my apologies for the confusion.

I am copying this letter to the Llywydd.

Yours sincerely
