Dear Luke

Further to WQ89477, tabled to the Minister for Climate Change seeking an update on when the review of the learner travel measure will be published. I am responding due to my portfolio responsibilities. I apologise for the lateness of the response.

I am currently in discussion with the Minister for Education and Welsh Language about the findings of the recent review undertaken on the Learner Travel (Wales) Measure and potential next steps. I intend to issue a written statement once these discussions have concluded.

Yours sincerely

Julie James AS/MS
