Dear Lisa

Following the commitment I made to you in plenary on 1 December 2004, I write with the information you requested in your supplementary to question OAQ40051 regarding the New Assembly Building.

Of the £6.7m budget for ICT and media fit-out, I can advise that the estimated infrastructure cost is £4.5m. This figure includes network and audio-visual equipment, provision of hardware and specialist fixtures.

I hope that you find this information helpful.

Sue Essex
