Dear David,

I am writing in response to your Written Assembly Question tabled on 19 July 2019 regarding the timescale for the rollout of 20mph speed limits.

The Task Force Group's first meeting is taking place today. Their work will identify matters such as costs, how the 20mph speed limits can be implemented as well as the infrastructure and behavioural changes required for it to be successful. These recommendations will be presented to the Minister for Economy and Transport and I before Summer Recess in 2020.

Yours sincerely
