## Recommendations

**Recommendation 1.** The Committee recommends to the Senedd, in accordance with 7.12(iii) of the Procedure for Dealing with Complaints against Members of the Senedd, that a breach has been found and that the Member should be excluded from Senedd proceedings for a period of twenty one calendar days.....13

## 1. Introduction

**1.** The terms of reference of the Standards of Conduct Committee (“the Committee”) are set out in Standing Order 22.<sup>1</sup> In accordance with functions set out in Standing Order 22.2 the Committee must:

“investigate, report on and, if appropriate, recommend action in respect of any complaint referred to it by the Commissioner for Standards.”<sup>2</sup>

**2.** This report is made to the Senedd under Standing Order 22.9 and paragraph 8.1 of the Procedure for Dealing with Complaints against Members of the Senedd<sup>3</sup> (“the Procedure”), in relation to a complaint made against Neil McEvoy MS.

**3.** The report from the Acting Commissioner for Standards (“the Commissioner”) on his investigation of the complaint is attached at Annex A. It sets out the details of the complaint and the findings of the Commissioner’s formal investigation.

**4.** The Committee has directed the redaction of parts of the report and attachments to protect the confidentiality of third parties.

**5.** This report sets out the details of the complaint and the way in which the Committee arrived at its recommendation.

**6.** Neil McEvoy MS attended the Standards of Conduct Committee on 1 February 2021 in relation to this report.

**7.** Prior to considering the complaint, Rhun Ap Iorwerth MS informed the Committee that previously, in an official capacity within Plaid Cymru, he had had involvement in matters relating to Neil McEvoy MS while a Member of Plaid Cymru group. The Committee noted that the circumstances in question were not directly connected with this complaint and agreed that they did not impact on the Member’s ability to act impartially in relation to this complaint.

**8.** At the start of the evidence session, Neil McEvoy MS objected to Rhun Ap Iorwerth MS’ participation and questioned whether Members of the Committee were impartial given the previous decisions of the Committee in relation to complaints about his conduct.

<sup>1</sup> Standing Orders

<sup>2</sup> Standing Order 22.2(i)

<sup>3</sup> The Senedd’s Procedure for Dealing with Complaints Against Members of the Senedd

**9.** Standing Order 22.5 sets out that (emphasis added):

“Where a member of the responsible committee is subject to, or otherwise directly connected with, a complaint under Standing Order 22.2(i), he or she may take no part in any consideration of the complaint by the responsible committee. In such circumstances and in relation solely to the consideration of the complaint concerned, that member may be replaced by his or her alternate member elected in accordance with Standing Order 22.4A. The alternate member may participate in the meetings of the responsible committee to consider the complaint as if he or she were a member of it.” (Emphasis added)

**10.** As the Standing Order sets out, there is no provision for Members to substitute themselves unless directly related to the complaint. The Committee agreed that no Member of the Committee was directly connected with the complaint.

## 2. Consideration of the Complaint

**11.** The complaint against the Member concerned, Neil McEvoy MS, states that the Cardiff Council monitoring officer reported to the Senedd Chief Executive and Clerk that Neil McEvoy MS:

“...has for some time insisted on using his Senedd email address for all of his interactions with the council, and does not use his Council email address at all. He has for some time prior to his suspension [from the Council] had an out of office email on his Council email stating the email address is not in use and redirecting the sender to use his Senedd email.”

**12.** The complaint engaged paragraphs 10 and 15 of the Code of Conduct and paragraph 12 of rules and guidance on the use of [Senedd] resources<sup>4</sup>, which state:

Paragraph 10 – Code of Conduct: Members are required to comply with the Rules and Guidance on the Use of Assembly Resources (‘the Rules’) and any guidance on the use of Assembly resources specifically relating to an election campaign.

Paragraph 12 of the Rules (as they were at the relevant time) provided –

Assembly Members must ensure that they use Assembly Resources for the purpose of their activities as Assembly Members only and not for any of the purposes listed below, which are prohibited:

- personal, business or commercial communications;
- party political activity of any kind, for example, party-political fund-raising, recruitment of party members and the organisation and publicising of party political meetings; and
- campaigning for the election or re-election of particular candidates for any public office (including the Member in question).

Paragraph 15- Code of Conduct: Members shall cooperate, at all stages, with any investigation into their conduct by the Commissioner for

Standards; or by the Committee on Standards of Conduct in accordance with Standing Order 22.2(i).

- 13.** The Committee met on 11 January, 1 February and 9 February 2021 to consider and reach its conclusion in respect of this complaint.

### 3. Committee's Consideration of its Decision

**14.** The Committee considered whether the Member was in breach of Standing Order 22.2(i).<sup>5</sup> The Committee noted that the report presented two breaches of the Code of Conduct:

- The use of his Senedd e-mail address for the purposes of dealing with matters relating to his position as a Cardiff Councillor; and
- the failure to co-operate with the Commissioner's investigation.

**15.** In considering whether a breach took place, the Committee reviewed the facts found by the Commissioner and set out in his report, the Commissioner's opinion that a breach had taken place, representations from Neil McEvoy MS to the Commissioner and written/oral representations to the Committee by Neil McEvoy MS.

**16.** Neil McEvoy MS provided oral evidence to the Committee on Monday 1 February 2021. The Committee agreed to the request from Neil McEvoy MS for the Commissioner to be present at this meeting.

**17.** The Commissioner found that between 2 January and 24 June 2020, 991 e-mails were sent from Cardiff Council e-mail addresses to Neil McEvoy's Senedd e-mail address, and that Neil McEvoy sent 456 e-mails from his Senedd e-mail address to Cardiff Council e-mail addresses. He found that:

“A significant number of them [the above e-mails] related to the proceedings that resulted in his suspension as a councillor from 24 June 2020”.

**18.** During the evidence session Neil McEvoy explained that he had an out-of-office message which advised people to e-mail his Senedd address if they wanted a quicker response, as this is the primary account he used.

**19.** The report from the Commissioner contains examples of the out of office message which was on Neil McEvoy's Cardiff Council e-mail account. This stated:

---

<sup>5</sup> Standing order 22.2(i)

“I do not use this email any longer. Please email me at neil.mcevoy@assembly.wales Messages can be left for me on 03002007434 or on Twitter @neiljmcevoy”

**20.** The Committee agrees with the finding of the Commissioner that this out of office e-mail would lead to e-mails relating to Cardiff Council matters being sent to Neil McEvoy’s Senedd account.

**21.** The Committee notes that there would naturally be some cross over from Neil McEvoy’s dual mandate of being a Cardiff County Councillor and a Member of the Senedd for South Wales Central, and that some e-mail traffic may be generated as a result. However, from the information provided by the Commissioner to the Committee it is clear that not all these e-mails relate to Neil McEvoy’s role as a Member of the Senedd, and instead were purely about Council matters and accordingly in breach the rules.

Having reviewed the report from the Acting Commissioner for Standards the Committee finds a breach of paragraph 10 of the Code of Conduct and paragraph 12 of the rules by Neil McEvoy MS.

**22.** The Committee considered the finding of the Commissioner that Neil McEvoy MS failed to co-operate with his investigation, and therefore breached paragraph 15 of the Code of Conduct.

**23.** The Commissioner outlined in his report that Neil McEvoy MS failed to answer questions as requested in letters to him on 8 and 15 December 2020.

**24.** Neil McEvoy MS stated that he had not engaged with the Commissioner’s investigation as it took place during a period in which he was suspended from the Senedd<sup>6</sup>. He therefore did not consider it appropriate to be asked to deal with these matters. Neil McEvoy raised these points in correspondence with the Commissioner. The Commissioner responded that Neil McEvoy’s suspension was:

“...specific in its terms and was limited to your rights as a Member to participate in proceedings, to enter the Senedd estate and to be paid. These apart, your rights and duties as a Member were unchanged. One such duty is to comply with the Code of Conduct and in particular with paragraph 15 (Standards Investigations: Duties in respect of the

---

<sup>6</sup> The Senedd resolved on 9 December 2020 to exclude Neil McEvoy MS from proceedings for a period of 21 days, not including recess. This was on the recommendation of a Standards of Conduct Committee report. This exclusion ended on 20 January 2021.

Commissioner for Standards and the Committee on Standards of Conduct). Your suspension has no relevance to that duty.”<sup>7</sup>

**25.** Neil McEvoy asked the Commissioner to correspond with his legal representative during the period of suspension. The Commissioner confirmed that he sent all relevant information to Neil McEvoy’s legal representative during the specified period.

**26.** During the oral evidence session, Neil McEvoy told the Committee that he would have been happy to co-operate with the process when his suspension ended. The Committee sought clarification from the Commissioner, who stated:

“I can confirm that Mr McEvoy did not indicate to me ‘in any way during the period between 8 December and 15 January when [the]final report was submitted to him that he would be willing to fully co-operate with the report in relation to his Cardiff e-mail address once his suspension had ended.’

The closest he came to it was in his email of 15 January (Document 14 at Annex A to my report) when he stated, ‘I would now be able to fill in any questionnaire, but the report is finished.’ That was more than two weeks after the extended deadline for completion and return of the interrogatories.”<sup>8</sup>

**27.** The Committee considers that Neil McEvoy failed to co-operate with the Commissioner’s investigation.

Having reviewed the report from the Acting Commissioner for Standards the Committee finds a breach of paragraph 15 of the Code of Conduct.

### **Committee’s Recommendation – Sanctions available.**

**28.** The Committee considers that a breach by any Member of the Senedd is a serious matter. The reputation of the Senedd as an institution, and the public’s trust and confidence in it, rely upon Members demonstrating integrity and leadership by their actions.

**29.** The Committee has found a breach of the Code of Conduct in relation to the misuse of Senedd resources. The Committee notes that Neil McEvoy MS did not

---

<sup>7</sup> Letter from Commissioner to Neil McEvoy, 17 December 2020

<sup>8</sup> Letter from Commissioner to Committee, Annex C

acknowledge that his actions constituted a breach of the Code of Conduct and did not co-operate with the Commissioner's investigation.

**30.** Neil McEvoy MS informed the Committee that he did not co-operate with the Commissioner as he did not have confidence in the office of the Standards Commissioner.

**31.** The Commissioner for Standards is an independent officeholder. The Commissioner is not subject to the direction of the Senedd or this Committee. Refusal to co-operate with the Commissioner is a breach of the Code of Conduct and does nothing to build and maintain the public's trust in the Senedd.

**32.** This report is one of a series which demonstrates a persistent pattern of lack of engagement in the standards process by Neil McEvoy MS. In so doing, he has shown complete disregard for, and sought to undermine, the Standards process. Neil McEvoy MS's conduct has fallen short of the standards expected of Members of the Senedd and has brought the Senedd into disrepute.

**33.** The failure to co-operate not only undermines the standards process, but also incurs additional costs by taking up additional time of the Commissioner.

**34.** In determining the recommended sanction, the Committee takes into account whether the case in question is a repeat offence or shows persistent conduct which may be considered to show contempt for the rules or the institution<sup>9</sup>. This is the sixth report in relation to the conduct of Neil McEvoy MS in which he has been found to breach the Code, and the fourth consecutive complaint in which he has failed to co-operate with the Commissioner. The Committee has concluded that this persistent conduct warrants a significant sanction. Accordingly, the Committee recommends a suspension of 21 calendar days.

**Recommendation 1.** The Committee recommends to the Senedd, in accordance with 7.12(iii) of the Procedure for Dealing with Complaints against Members of the Senedd, that a breach has been found and that the Member should be excluded from Senedd proceedings for a period of twenty one calendar days.

---

<sup>9</sup> Procedure for dealing with complaints against Members of the Senedd paragraph 7.13.

**35.** A copy of this report has been provided to the Member concerned, who was also notified of the right to appeal under section 8 of the procedure.<sup>10</sup>

**36.** The Committee Chair has tabled a motion (in accordance with Standing Order 22.11 and paragraph 9.1 of the procedure) calling on the Senedd to endorse the Committee's recommendation.

**37.** The Committee reminds all Members that co-operation with the Standards process is not optional. Refusal to co-operate is a breach of the Code of Conduct and undermines public trust in the Senedd.

### Matters arising from this complaint

**38.** The Committee notes that Cardiff Council's monitoring officer made the complaint to the Chief Executive and Clerk in June 2020 (the complaint was referred to the Commissioner, under section 9 of the National Assembly for Wales Commissioner for Standards Measure 2009). The Commissioner wrote to Cardiff Council in August 2020 seeking supporting information, which was not received until November 2020. The Committee takes this opportunity to remind complainants of the need to provide information to the Commissioner in a timely manner.

**39.** The Committee noted the representations from Neil McEvoy MS with regards to the accessing of his Senedd e-mail account without his knowledge. The Committee wrote to the Chief Executive and Clerk of the Senedd regarding the processes governing access of e-mail accounts. The Committee is satisfied it is within the power of the Commissioner to request such information and that the ICT Security and Usage rules<sup>11</sup> are clear that such actions may be taken where there are proper reasons for doing so. A copy of the letter from the Chief Executive is attached (Annex B).

# Annex A: Report from the Commissioner for Standards

**REPORT**

**by**

**THE ACTING SENEDD COMMISSIONER FOR  
STANDARDS**

**of the investigation of an alleged misuse of  
Senedd resources by**

**NEIL McEVOY MS**

## 1. INTRODUCTION

1.1 On 27 August 2020 the Chief Executive and Clerk of the Senedd ('the Clerk'), as required by section 9 of the National Assembly for Wales Commissioner for Standards Measure 2009 ('the Measure'), referred to me for investigation an alleged misuse of Senedd resources by Neil McEvoy MS. That section requires the Commissioner to treat such a referral as a complaint. This is the report of my investigation of it.

1.2 The documents I have relied upon are at Annex A. Footnote references and bookmark links are provided where appropriate. Quotations from legislation and documents are italicised. When not already in the public domain personal details have been redacted when they are of no evidential value.

## 2. THE INVESTIGATION

2.1 In her referral letter of 27 August 2020<sup>1</sup> the Clerk told me that by letter dated 29 June 2020, the Monitoring Officer of Cardiff Council had reported to the Senedd Commission that -

*"[Mr McEvoy]...has for some time insisted on using his Senedd email address for all of his interactions with the council, and does not use his Council email address at all. He has for some time prior to his suspension had an out of office email on his Council email stating the email address is not in use and redirecting the sender to use his Senedd email ..."*

2.2 On 28 August 2020 I wrote to the Monitoring Officer requesting further information. Regrettably, despite a number of reminders, no substantive response was received until early November.

2.3 On 9 November 2020 I advised Mr McEvoy of the allegations against him and afforded him until 20 November the opportunity to make representations to me regarding the admissibility of the complaint. On 20 November he emailed saying that he was unable to make representations as he had not seen the evidence. On 23 November I told him that I had decided that the complaint was admissible. I outlined the procedure I intended to follow and told him that the evidence would be made available to him at the appropriate stage of my formal investigation.

---

<sup>1</sup> [Letter Clerk – Acting Commissioner 27 August 2020](#)

2.4 On 8 December I provided Mr McEvoy with all the then available evidence together with interrogatories which he was requested to complete and return by 21 December.<sup>2 3</sup> I reminded him of his duty under paragraph 15 of the Code of Conduct (“the Code”) to co-operate with my investigation. I made clear that if he failed to complete and return the interrogatories by that date I might end my investigation and prepare the final draft of my report.

2.5 On 15 December I provided Mr McEvoy with further evidence obtained from Cardiff Council and revised interrogatories containing questions in relation to it.<sup>4 5</sup> In view of these changes I extended the time for completion and return of the revised interrogatories until 30 December.

2.6 That day ██████████ informed me that in view of his suspension he would not be responding to any communications until his period of suspension had ended.<sup>6</sup> On 17 December I informed him that the suspension of certain rights of his as a Member had no relevance to the current investigation and that the deadline for completion and return of the revised interrogatories, and the likely consequences of any failure to comply, were unchanged.<sup>7</sup>

2.7 Mr McEvoy failed to complete and return the revised interrogatories by 30 December. I decided to end my investigation and to prepare the final draft of this report.

### **3. RELEVANT AND APPOSITE PROVISIONS**

3.1 The relevant provisions specified in the following paragraphs fall to be considered in relation to the alleged misconduct.

3.2 Paragraph 10 of the Code provides –

*10. Members are required to comply with the Rules and Guidance on the Use of Assembly Resources (‘the Rules’) and any guidance on the use of Assembly resources specifically relating to an election campaign.*

3.3 Paragraph 12 of the Rules (as they were at the relevant time) provided –

*12. Assembly Members must ensure that they use Assembly Resources for the purpose of their activities as Assembly Members only and not for any of the purposes listed below, which are prohibited:*

- *personal, business or commercial communications;*
- *party political activity of any kind, for example, party-political fund-raising, recruitment of party members and the organisation and publicising of party political meetings; and*
- *campaigning for the election or re-election of particular candidates for any public office (including the Member in question).*

3.4 Paragraph 15 of the Code provides –

*15. Members shall cooperate, at all stages, with any investigation into their conduct by the Commissioner for Standards; or by the Committee on Standards of Conduct in accordance with Standing Order 22.2(i).*

3.5 The Senedd ICT Security and Usage Rules ('the ICT Rules') mentioned in the Clerk's referral letter are not relevant provisions as defined in section 6(3) of the Measure and, accordingly, I have no power to investigate any alleged contravention of them. However, lest they had any influence on Mr McEvoy's conduct I set out the apposite provisions.

#### *12. Personal use of official ICT systems*

*12.1 All ICT equipment and communication devices are provided for the purpose of undertaking Assembly business; users should therefore use them to carry out work related to their role within the Assembly. They are not normally intended for conducting communications on personal matters with contacts within or outside the Assembly, whatever the nature or purpose of that communication.*

*12.2 However, it is recognised that personal communications are sometimes necessary during the working day. A limited amount of personal email or telephone communication is therefore allowed, provided:*

- *It is restricted to non-working time, except in emergencies, and does not interfere with official duties;*
- *It will not bring the Assembly into disrepute or cause embarrassment to its staff;*
- *It does not affect the performance of the ICT systems;*
- *There is no infringement of copyright or other unlawful activity;*
- *It is not associated with any personal profit or business profitmaking with any external organisation.*

*See Section 13 for more guidance on use of email and section 15 for guidance on use of official communication devices.*

*12.3 Hardware or software paid for by the Assembly Commission are Assembly resources and as such may not be used for purposes prohibited by the Rules and Guidance on the use of Assembly Resources. Under that guidance, the following uses are not permitted:*

- *Personal, business or commercial communications;*
- *Party political fund raising, recruitment of party members and the organisation and publicising of party political meetings;*
- *Campaigning for the election or re-election of particular candidates for public office (including the Member in question) and irrespective of whether the office is that of membership of the Assembly or of any other body.*

#### 14. Use of the Internet

*14.1 Internet access is provided for the primary purpose of undertaking Assembly business. The facility may also be used for personal reasons providing that this does not interfere with then need to get the job done nor bring the Assembly into disrepute or cause embarrassment to its staff.*

## 4. FACTS ESTABLISHED

4.1 I found the following facts established –

- I. Between 20 February and 21 May 2020 Mr McEvoy had an out of office message on his Cardiff Council email address advising that he did not use that address and that emails should be sent to his Senedd email address;
- II. In that message he gave his Senedd telephone number as his contact number;
- III. On 23 June 2020 Mr McEvoy was suspended from being a member of Cardiff Council for a period of four months;
- IV. Between 2 January and 24 June 2020, 991 emails were sent from Cardiff Council email addresses to Mr McEvoy Senedd email address;
- V. Almost all of these emails related to purposes other than Mr McEvoy's activities as a Member;
- VI. Between the same dates Mr McEvoy sent 456 emails form his Senedd email address to Cardiff Council email addresses;
- VII. At least 369 (80%) of these emails related to purposes other than Mr McEvoy's activities as a Member;
- VIII. Between these dates Mr McEvoy used or caused the use of Senedd resources, namely, the ICT systems and hardware and his regional office for purposes other than his activities as a Member; and
- IX. Mr McEvoy failed to complete and return interrogatories as requested in letters to him on 8 and 15 December 2020.

## 5. CONSIDERATION

5.1 The information provided to the Clerk by the Cardiff Council Monitoring officer on 27 August was that –

*“[Mr McEvoy]...has for some time insisted on using his Senedd email address for all of his interactions with the council, and does not use his Council email address at all. He has for some time prior to his suspension had an out of office email on his Council email stating the email address is not in use and redirecting the sender to use his Senedd email ...”*

The investigation has confirmed the accuracy of that information.

5.2 Examples of the use of that out of office message on 20 February and 21 May 2020 were obtained.<sup>8 9</sup> Unfortunately, Cardiff Council records did not show the period during which the message was in use. Although in his email of 20 November 2020 Mr McEvoy admitted the use of such a message, his assertion that it was used *for a short time* appears, given the contrary evidence, to be improbable.<sup>10</sup> He failed to avail of the opportunity afforded him by the interrogatories to be more explicit as to the period during which the message was in use. I am satisfied that it was in use at least for the period of two months from 20 February 2020 and most probably for a considerably longer period.

5.3 The existence of such an out of office message on Mr McEvoy’s Cardiff Council email address would not, in itself, constitute a contravention of the Code or any other relevant provision. Its existence merely demonstrates Mr McEvoy’s intention that all emails about his work as a councillor should be sent to his Senedd email address. However, the records show that his intention bore fruit. Between 2 January and 24 June 2020 records obtained from Cardiff Council show that 991 emails from Cardiff Council email addresses were sent or copied to Mr McEvoy’s Senedd email address.<sup>11</sup> Analysis of the titles/subjects of these emails, the senders and the copy recipients makes clear that they, almost without exception, related to Mr McEvoy’s activities as a councillor and not to his activities as a Member. A significant number of them related to the proceedings that resulted in his suspension as a councillor from 24 June 2020.<sup>12</sup> I am satisfied that many of these 991 emails were sent to Mr McEvoy’s Senedd email address as a direct result of the out of office message. 29 of the emails were sent by Mr McEvoy himself. Mr McEvoy did not avail of the opportunity afforded him by the interrogatories to provide any explanation of these matters.

5.4 Records obtained from Senedd Commission ICT staff show that between 2 January and 24 June 2020, 456 emails were sent from Mr McEvoy’s Senedd email address to Cardiff Council email addresses.<sup>13</sup> Analysis of the titles/subjects of these emails, the addressees and the copy addressees makes clear that at least 369 of

<sup>13</sup> [Spreadsheet – emails McEvoy Senedd email address to Cardiff Council email addresses 2 January – 24 June 2020](#)

them related to Mr McEvoy's activities as a councillor and not to his activities as a Member. Mr McEvoy did not avail of the opportunity afforded him by the interrogatories to provide any explanation of these matters.

5.5 I am satisfied that between 2 January and 24 June 2020 Mr McEvoy made extensive use of the Senedd ICT system and hardware to both send and receive emails that were not related to his activities as a Member. In the interrogatories Mr McEvoy was given the opportunity to deny that these messages were received in and sent from his regional office. He did not avail of that opportunity. I am satisfied on the balance of probabilities that the messages were sent from and received in his regional office.

5.6 I am clear that such use of Senedd resources is a contravention of paragraph 12 of the Rules. Rule 12 requires Members to ensure that they use Assembly/Senedd Resources for the purpose of their activities as Members only and not for any of three listed purposes listed which are prohibited. The use of resources I have found established was not for the purpose of Mr McEvoy's activities as a Member and so was, without the need to consider the three listed prohibited purposes, a clear breach of paragraph 12. But even had I considered it necessary to consider the listed purposes I would have reached the same conclusion. The only one of these listed purposes relevant to the present matter is the prohibition of use of Senedd resources for *personal, business or commercial communications*. I am satisfied that in this context business communications covers communications in connection with an individual's occupation, profession or trade including work as a councillor.

5.7 I have also considered whether Mr McEvoy may have been confused by paragraphs 12.2 and 14.1 of the ICT Rules which permit limited use of the Senedd ICT resources for personal reasons. In the interrogatories Mr McEvoy was given the opportunity to say anything else he wished about the allegations against him including allegations that he breached paragraphs the ICT Rules. He did not avail of that opportunity. But even had he done so reliance on these paragraphs would, if believed, have at best have constituted mitigation. The ICT Rules have never been approved by the Senedd. Contravention of them is not a breach of the Code or of any other relevant provision. Text in these informal ICT Rules cannot override a clear provision in the Code approved by the Senedd. And in any event the extent of Mr McEvoy's use that I have found established went far beyond the limited personal use envisaged by paragraphs 12.2 and 14.1.

5.8 Under paragraph 15 of the Code Members have a duty to co-operate with any investigation into their conduct by the Commissioner. By letters dated 8 and 15 December Mr McEvoy was asked to complete and return interrogatories containing questions relevant to this investigation. The letters reminded him of his duty to co-operate with my investigation and set deadlines which allowed him ample time to respond. He has not responded and has given no explanation other than his erroneous assertion that the suspension of certain rights of his as a Member

excused him from responding to any correspondence. I am satisfied that Mr McEvoy has failed to co-operate with this investigation into his conduct.

## **6. SUMMARY**

6.1 I am satisfied that Mr McEvoy -

- 1) between 2 January and 24 June 2020, both dates inclusive, used Senedd resources, namely, the ICT systems and hardware and his regional office for purposes other than his activities as a Member contrary to paragraph 12 of the Rules and Guidance on the Use of Senedd Resources and paragraph 10 of the Code of Conduct; and
- 2) has since failed to co-operate with this investigation into his conduct contrary to paragraph 15 of the Code.

## **7. MATTERS OF GENERAL PRINCIPLE**

7.1 The divergence between the ICT Rules and the Rules and Guidance on the Use of Resources on the use of the systems for personal reasons has the potential to cause confusion. I welcome the new version of the latter and the statement in it that the ICT Rules are to be reviewed.

## **8. PROCESS**

8.1 On 5 January 2021 Mr McEvoy and the Clerk were provided with the final draft of this report and afforded an opportunity to comment on its factual accuracy. As he requested, Mr McEvoy's copy was sent to him care of his legal adviser. The deadline for receipt of any representations was 15 January. The Clerk advised that she had no comments to make on the factual accuracy of final draft. Mr McEvoy's email of 15 January, did not comment on any specific matter of factual accuracy.<sup>14</sup>

8.2 A copy of this final report has today been sent to the Clerk and to Mr McEvoy care of his legal adviser.

Douglas Bain  
Standards Commissioner  
[by e-mail]

27 August 2020

Dear Douglas

I am writing to you in relation to the conduct of Neil McEvoy MS.

Mr McEvoy, in addition to being a Member of the Senedd, is a Councillor for the County Council of the City and County of Cardiff (Cardiff Council). The Monitoring Officer of Cardiff Council wrote to the Senedd Commission on 29 June 2020 in the following terms-

"[Mr McEvoy]...has for some time insisted on using his Senedd email address for all of his interactions with the council, and does not use his Council email address at all. He has for some time prior to his suspension had an out of office email on his Council email stating the email address is not in use and redirecting the sender to use his Senedd email ..."

As you know, the Code of Conduct for Senedd Members at Paragraph 10 expressly requires compliance with the Resources Rules. Paragraph 12 of those Rules states:

"Assembly Members must ensure that they use Assembly Resources for the purpose of their activities as Assembly Members only and not for any of the purposes listed below, which are prohibited:

1. personal, business or commercial communications;

..."

The wording of the current Rule does not explicitly address the situation where a Member holds an additional elected office. However, it is clear that using a Senedd email address for the business of that other office is not permitted. It is not use for the purposes of activities as a Member of the Senedd. It seems to me that the prohibition on the use of

resources for "personal, business or commercial" activity is broad enough to cover a public appointment. The word "business" includes a regular occupation, profession, trade or duty and, logically, this must encompass the occupation of an elected office.

Further, the ICT Rules state at paragraph 12.1 that:

"All ICT equipment and communication devices are provided for the purpose of undertaking Assembly business; users should therefore use them to carry out work related to their role within the Assembly. They are not normally intended for conducting communications on personal matters with contacts within or outside the Assembly, whatever the nature or purpose of that communication."

The ICT Rules also cross refer at paragraph 12.3 to the provision that hardware or software paid for by the Senedd Commission are Senedd resources and as such may not be used for purposes prohibited by the Resources Rules.

Taking all of the above into account, I have reasonable grounds for concluding that the conduct of the Member breaches the Code of Conduct. His conduct is relevant to my functions as principal accounting officer of the Senedd Commission. I am, therefore, referring this matter to you in accordance with my duty under section 9 of the National Assembly for Wales Commissioner for Standards Measure 2009.

Regards

Dear Mr McEvoy,

**REFERRAL BY CLERK OF TE SENEDD – ALLEGED MISUSE OF SENEDD RESOURCES**

In my letter of 12 November I undertook to provide you at the appropriate time with copies of the evidence. I now attach copies of the evidence collected so far.

Simply putting an out of office message on your Cardiff Council email address directing people to send emails to your Senedd email address would not, of course, constitute a contravention of a relevant provision as defined in section 6(3) of the National Assembly for Wales Commissioner for Standards Measure 2009. But receipt, as a consequence of such an out of office message, at your Senedd email address of any message relating to your work as a councillor or about anything other than your work as a Member, would constitute a clear contravention of paragraph 10 of the Code of Conduct, paragraph 12 of the Rules and Guidance on the Use of Assembly Resources (as they were at the relevant time) and paragraphs 12.1 and 12.3 of the ICT Security and Usage Rules. Using your AMSS and your regional and Senedd offices to deal with phone calls and emails for any purpose other than your activities as a Member would also contravene paragraphs 10 and 12.

In your letter of 20 November you admitted that ‘My out of office message was on for a short time and is no longer on’. The copy documents would appear to show that the message was on at least from 20

February 2020 until at least 21 May 2020. The analysis of your Senedd email account inbox from 1 January 2020 until your suspension from the Council on 23 June 2020 would appear to show the receipt of nearly 1000 emails sent from a Cardiff Council email address. Many of these would appear not to relate to your work as a Member.

I also enclose interrogatories for completion and return by you by **4pm on Monday 21 December 2020**. As you will see they seek answers to questions relevant to your alleged misuse of Senedd resources. They also afford you the opportunity to say anything you wish about the allegations and to inform me of any other relevant evidence. I would remind you of your duty under paragraph 15 of the Code of Conduct to co-operate with my investigation of the allegations against you by completing and returning the interrogatories by the due date.

After the due date I may, whether or not you have returned the completed interrogatories, either continue my investigation by obtaining further evidence or conclude my investigation and draft my report of it. If I decide to continue my investigation you will be provided with a copy of any further evidence obtained and afforded an opportunity to comment on it.

Dear Mr McEvoy,

**REFERRAL BY CLERK OF THE SENEDD – ALLEGED MISUSE OF SENEDD RESOURCES**

In my letter of 8 December I undertook to provide you with a copy of any further evidence relevant to the complaint against you.

I now enclose a spreadsheet showing that between 2 January and 24 June 2020 you sent 456 emails sent from your Senedd email address to Cardiff Council email addresses. It would appear that at least 342 of these emails (shown in red on the spreadsheet) did not relate to your work as Member. Use of the Senedd ICT to send emails not related to your work as a Member would contravene paragraph 10 of the Code of Conduct, paragraph 12 of the Rules and Guidance on the Use of Assembly Resources (as they were at the relevant time) and paragraphs 12.1 and 12.3 of the ICT Security and Usage Rules.

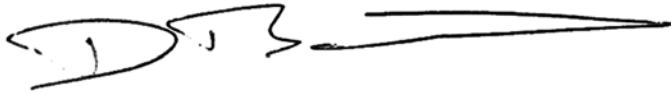

In light of this new apparently significant evidence I attach a revised set of interrogatories including two new questions relating to that evidence.

To allow you sufficient time to deal with these new matters I am changing the deadline for completion and return of the revised interrogatories until **5 pm on Wednesday 30 December 2020**. The procedure I shall follow thereafter remains unchanged.

I have seen [REDACTED] [REDACTED]'s email of 15 December 2020 to [REDACTED] [REDACTED] in which [REDACTED] intimated that you would not be responding to any communications during your period of suspension.

Your suspension was specific in its terms and was limited to your rights as a Member to participate in proceedings, to enter the Senedd estate and to be paid. These apart, your rights and duties as a Member were unchanged. One such duty is to comply with the Code of Conduct and in particular with paragraph 15 (Standards Investigations: Duties in respect of the Commissioner for Standards and the Committee on Standards of Conduct). Your suspension has no relevance to that duty.

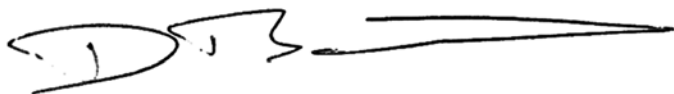

It follows that the deadlines set in letters sent to you in relation to all the above matters and the likely consequences of failing to respond within them are unchanged.

**Subject:** Adjudication Panel for Wales Confirmation of Your Suspension From Cardiff Council

Dear Mr McEvoy,

Yesterday the Adjudication Panel for Wales endorsed the 4 month suspension imposed by the Standards and Ethics Committee at your hearing in January this year. I am writing to confirm that your 4 month suspension takes effect from today (pursuant to the Local Government Investigations (Functions of Monitoring Officers and Standards Committees)(Wales) Regulations 2001, Regulation 8(6)).

This means that you are suspended from being a member of Cardiff Council from today, 23rd June 2020 until midnight on 22nd October 2020.

During the period of your suspension, you may not act as a Member of Cardiff Council, or exercise any of the rights, powers or duties attached to this office. You should not use the title 'Councillor'. You may also not use any facilities provided to Members by the Council, including Council offices, Member support services and ICT facilities and equipment. Your Members' allowances and Council ICT accounts will be suspended during this period.

We will, of course, make arrangements to reinstate all of the above, as soon as your suspension period has ended.

We will report on your suspension to full Council this month; and we are also making arrangements to publish a report on the outcome of this matter, as we are required to do by law.

If you have any queries in relation to this matter, please contact me.

**Subject:** draft report

Dear Mr Bain,

All constituents I represent fill in a GDPR form and interact with me as a Member of the Senedd.

There is a lot of correspondence between Cardiff Council and my office, because 4 constituencies relate to that Council. There is a lot of correspondence between my office and all Councils in my region. This is not unusual. This is probably because that the Senedd is responsible for local government in Wales.

The report seems to be saying that I am not allowed to get a constituent's damp problem fixed as part of my role as a Member of the Senedd. This is nonsensical. Every Senedd member will email Councils and no questions will be raised. Once again, I am the exception. I see this and the public does also.

After my suspension, I stepped back and spent time with my family. I would now be perfectly happy to fill in any questionnaire, but the report is finished.

I would be grateful if you would provide the Committee with all correspondence from Cardiff Council.

My email inbox was accessed with my knowledge. Could you explain how this was technically done please, when and by whom and under what legislation? Did you seek permission from constituents who had written to me to access their personal data? You should know that the South Wales Police will be referring your office to the Information Commissioner for allegations previous breaches of data protection. If my constituents cannot write to me without having their confidence breached, then they need to know this.

Yours sincerely,

## Annex B: Letter from Chief Executive and Clerk relating to Members ICT accounts

Jayne Bryant MS  
Chair of the Standards of Conduct Committee  
[by e-mail]

11 February 2021

Dear Jayne

### MEMBER EMAIL ACCOUNTS

Thank you for your letter of 8 February.

I can confirm that the acting Standards Commissioner asked the Senedd Commission to provide evidence in relation to a complaint. We responded in the knowledge that the Commissioner has statutory powers to call for information by virtue of sections 11 and 12 of the National Assembly for Wales Commissioner for Standards Measure 2009.

The ICT facilities made available to Members by the Commission are provided in accordance with the ICT Security and Usage Rules ("the Rules"). I can provide a copy if that would be helpful. All Members are made aware, before being given access to ICT systems, that the Rules apply to them.

The Rules state:-

*'All communications and stored information sent, received, created or contained within the ICT system are not private and may be checked, without notice*

*in order to:*

- *help maintain compliance with practices or procedures set out in law;*
- *establish facts and protect the interests of the [Senedd] and individuals;*
- *prevent unauthorised use of the ICT system;*
- *prevent inappropriate/offensive media and viruses from being stored on, or communicated using the ICT system;*

- *forward e-mails to correct destinations;*
- *assist with any investigation or action proposed by lawfully authorised investigating or regulatory bodies (e.g. Police);*
- *comply with [Data Protection Legislation] and the Freedom of Information Act 2000.'*

I appreciate your concern around access being given to Members' electronic systems. You will appreciate that there will be occasions on which it would not be appropriate to inform Members, in advance, that their systems are being accessed. This is especially the case where alleged inappropriate use or criminal activity is under investigation (although I am not suggesting this was the case in the particular complaint under discussion).

Yours sincerely

## Annex C: E-mail correspondence with the Acting Commissioner for Standards

I can confirm that Mr McEvoy did not indicate to me ‘in any way during the period between 8 December and 15 January when your final report was submitted to him that he would be willing to fully co-operate with the report in relation to his Cardiff e-mail address once his suspension had ended?’

The closest he came to it was in his email of 15 January (Document 14 at Annex A to my report) when he stated ‘I would now be able to fill in any questionnaire, but the report is finished.’ That was more than two weeks after the extended deadline for completion and return of the interrogatories

I would respectfully remind the Committee that in my letter of 17 December (Document 7) I made very clear to Mr McEvoy that the suspension of certain of his rights as a Member was irrelevant to his duty to co-operate with my investigation and that the deadline for completion and return of the interrogatories and the consequences of not meeting it were unchanged. After Mr McEvoy asked that all correspondence should be sent to his lawyer I, on 4 January, sent a copy of that letter to Jonathan Edwards.

Douglas

**Subject:** Standards of Conduct Committee - 1 February 2021

Thank you for attending the Standards of Conduct Committee this morning.

Following the representations made by Mr McEvoy this morning, the Committee has asked me to ascertain from you whether Mr McEvoy indicated to you in any way during the period between 8 December and 15 January when your final report was submitted to him that he would be willing to fully co-operate with the report in relation to his Cardiff e-mail address once his suspension had ended?
