Mae’r Cynulliad Cenedlaethol yn nodi gyda phryder dybryd benderfyniad Cymdeithas y Plant i ddirwyn ei gwaith i ben yng Nghymru ac mae’n galw ar y Gweinidog dros Iechyd a Gwasanaethau Cymdeithasol i alw cyfarfod gyda’r holl bleidiau i drafod goblygiadau’r penderfyniad.

The National Assembly notes with grave concern the decision of the Children's Society to end its work in Wales and calls on the Health and Social Services Minister to convene an all-party meeting to examine ramifications of this decision.

Ein hawl i fod yn Gymry

Mae’r Cynulliad yn gwrthod y farn a fynegwyd gan yr Athro Harold Carter fod angen siarad Cymraeg i fod yn Gymro am ei fod yn wahaniaethol ac yn sarhaus iawn i fwyafrif y bobl yng Nghymru nad ydynt yn siarad yr iaith.

Our right to be Welsh

The Assembly rejects the view expressed by Professor Harold Carter that "to be Welsh is to speak Welsh", as discriminatory, and deeply offensive to the majority of Welsh people who do

not speak the language.

Cynnig i adeiladu ysgolion ar dir llygredig.

Gan gyfeirio at y cynigion i adeiladu ysgolion ar dir llygredig yng Nghonwy a Chasnewydd, a chan gofio'r buddsoddiad sylweddol y mae'r Cynulliad Cenedlaethol wedi'i wneud yn swydd y Comisiynydd Plant, dylai Aelodau'r Cynulliad barchu ei safbwynt a chefnogi ei farn "…na ddylid bwrw ati â'r cynlluniau hyn ar eu ffurf bresennol."

Proposal to build schools on contaminated land.

With reference to the proposals to build schools on contaminated land in Conwy and Newport, and in view of the National Assembly's considerable investment in the post of the Children's Commisioner, Assembly members should show respect for his position and support his opinion that "…these schemes should not proceed in their present form."
