Dear Jane

PROPOSED ENVIRONMENTAL PROTECTION AND WASTE MANAGEMENT LCO

1. The Proposed Environmental Protection and Waste Management LCO Committee met today in private to consider its report on the proposed Order and we intend to report by 30 November in line with the deadline set by the Business Committee.
2. The Committee has asked me to write to you seeking information about the proposed Order. In particular, the committee would find it helpful if you could provide:
 - the likely timetable for the remaining stages of the process; and
 - information about when the Secretary of State will forward the proposed Order to the Welsh Affairs Committee in the House of Commons and the Constitution Committee in the House of Lords, to enable them to start their pre-legislative scrutiny of the proposed Order.
3. I would be grateful if you could reply **by noon on Friday 23 November**, in time for the committee's next meeting on 27 November.

Yours sincerely

Alun Ffred Jones AM
