Dear Janet,

Thank you for your recent Senedd question (WQ93248) in which you requested details on action being taken to develop a national litter plan for Wales. Apologies I was unable to respond in time, therefore, this letter provides my response.

I am pleased to confirm we continue to work with Local Authorities, businesses and environmental charities across Wales to deliver against our overall aim to prevent litter and fly-tipping from occurring in the first place. I will be writing to Senedd Members to inform them of our achievements to date and to set out our priorities for the remaining Senedd term.

Please accept my thanks, again, for your question and I do hope you find this letter helpful in advance of the Written Statement being issued.

Yours sincerely,

Huw Irranca-Davies AS/MS
