*Dear David,***WAQs 16392, 16393, 16394 AND 16395**

In response to your written questions 16392-5 I attach the following summary of legislation passed via Executive, Accelerated, Standard and Extended procedures.

**Assembly General Subordinate Legislation – Education and Lifelong Learning Portfolio**

Year	Executive	Accelerated	Standard	Extended	Total
2002	* 4	4	2	2	12
2001	0	20	9	1	30
2000	4	8	20	0	32
1999	11	0	0	0	11

\* The primary reason for urgency in these particular cases, all of which related to Statutory Instruments about Special Educational Needs, was the unavoidable delays in securing changes to primary legislation upon which the revised SEN Code and associated SEN Regulations and Orders were dependent. Party Business Managers were sent a letter in November giving a full explanation as to why the executive procedure was considered to be necessary.

I am placing a copy of this letter in the Assembly library.

*Yours***JANE DAVIDSON, AM**
