Cloddio Glo Brig ym Merthyr Tudful

Mae'r Cynulliad Cenedlaethol yn credu y dylai fod clustogfa 500m, o leiaf, rhwng unrhyw gloddio glo brig ac eiddo preswyl ac mae'n credu ymhellach na ddylai caniatâd cynllunio llawn ar gyfer cloddio glo brig ym Merthyr Tudful gael ei roi oni bai fod clustogfa o'r fath yn un o amodau'r caniatâd.

Open Cast Mining at Merthyr Tydfil

The National Assembly believes that there should be, at least, a 500m buffer zone between any open cast mining and residential properties and further believes that full planning permission for open cast mining at Merthyr Tydfil should not be granted unless such a buffer zone is a condition of the consent.
