Dear *Alun Ffred Jones*

In my reply to WAQ 25727 I undertook to write to you by 27<sup>th</sup> June about the request for the immediate release of the Inspector's report of the inquiry into the planning application for the construction of a new intermediate level waste store and works involving the former reactor buildings at Trawsfynydd Nuclear Power Station site.

The request has raised important issues which have taken longer than anticipated to consider. The matter is being treated urgently and I will write to you as soon as it has been resolved.

Yours sincerely

**Carwyn Jones AM**
