Answer received for publication on 03 October 2012

The Minister for Local Government and Communities (Carl Sargeant): I was pleased that the £8m modernisation scheme for Swansea High Street station was completed on time and has been very well received. The major scheme for Llandudno station / interchange is now agreed for start of works.

I will be announcing the other stations to be improved under NSIP+ shortly, and I can confirm that Port Talbot Parkway Station is one of the stations being considered for funding.
