Dear Sam,

Further to your written question WQ93006 and my holding response dated 6 June, I'm providing more information below as promised.

There are no specific grants specifically designed to assist with the purchase of agricultural equipment or machinery, but, agricultural contractor businesses, along with other Welsh businesses, can access advice and support about available sources of finance, via the Business Wales service at: [Finding Finance | Business Wales \(gov.wales\)](https://www.gov.wales/business-wales).

I hope this response is helpful and thank you for raising this matter with me.

Yours,

Huw Irranca-Davies AS/MS
