22 October 2004

Dear Eleanor

## **NORTH WALES TRAINS**

During Oral Questions on 22 September you raised the condition of Pendolino trains running to North Wales and I promised to write.

I have taken this matter up with Virgin trains who inform me that there were some teething problems with the rolling stock. They have put considerable effort into resolving the problems and I am assured that things are now very much improved.

Yours

*Andrew*
