Dear Andrew,

Thank you for your recent written question asking me how long I expect the mobile dental unit pilot on the site of Ysgol y Moelwyn in Blaenau Ffestiniog to run for, and what the projected cost is of the pilot.

The mobile dental unit will operate on the site of Ysgol y Moelwyn in Blaenau Ffestiniog for approximately 7 months. The unit will offer dental treatment and preventative advice to all children who have parental consent during this period.

The costs associated with setting up facilities at the school are £4200 and it will cost an estimated £10,000 per month to staff the unit until the end of the pilot.

Yours sincerely,

Eluned Morgan AS/MS
