Dear Gareth

I am writing in response to WQ94101: How does the Welsh Government support elderly people who may face digital exclusion at the interface of both public and private organisations?

We are committed to improving levels of digital inclusion for citizens across Wales. Through our flagship digital inclusion and health programme, [Digital Communities Wales: Digital Confidence, Health and Well-being](#) (DCW) we continue to work with organisations from all sectors that can help reach digitally excluded people.

Kind regards,
