Dear Joel,

I write following your question raised at Oral Questions on 15 February, 'what assessment has the Welsh Government made of how it can rebuild the confidence of those with disabilities to re-engage with nature and our green spaces'.

Whilst no specific assessment has been undertaken, the Welsh Government is supporting all communities across Wales to access nature and green spaces through programmes such as Local Places for Nature and the Enabling Natural Resources and Wellbeing Grant. The Access Improvement Grant to Local and National Park Authorities that have public rights of way responsibilities, includes increasing access to the outdoors for those in under-represented groups.

Regards,

Lesley Griffiths AS/MS
