Dear Sam,

Further to the exchange during Questions to the Minister for Finance and Local Government at Plenary on 10 May, I can assure you that I am in regular dialogue with Cllr Dyfrig Siencyn in his capacity as Chair of Ambition North Wales in relation to delivering the shared priorities contained within the North Wales Regional Economic Framework. Furthermore, I have regular opportunities to discuss economic matters, including the framework, with the six local authority leaders in North Wales, most recently at last week's Cabinet Sub-Committee on North Wales.

The Leaders have my commitment that the Welsh Government will continue to collaborate with them to support this ongoing and important work and will be responsive to any proposals that simplify and accelerate the delivery of economic benefits for the residents of North Wales.

Please do let me know if there were any specific elements of the economic framework on which you would like further details.

Yours sincerely,

**Vaughan Gething AS/MS**  
Gweinidog yr Economi  
Minister for Economy
