Dear Paul,

Thank you for your recent Written Question following up on WQ82424 where you asked what progress has been made in relation to allowing Welsh residents to access an online vaccine passport?

Since 25 June 2021 people in Wales have been able to access their Covid Pass certificate online to show details of their vaccination record. For more information on how to download a certificate please visit: <https://gov.wales/get-nhs-covid-pass-show-your-vaccination-status-travel>

I hope you find this response helpful.

Yours sincerely
