Dear Andrew

I am writing in response to your written question WQ92112 -
What discussions has the Minister had with local authorities in England regarding the rollout of similar car club schemes to the one Welsh Government has recently invested in?

I have not had discussions with Local Authorities in England regarding the rollout of similar car club schemes, but best practice from outside Wales has informed our approach, and we are keen to share learning from this grant and engage with any authorities with shared objectives. My officials are also engaging with DfT equivalents to share learning on the car club scheme.

Yours sincerely

Ken Skates AS/MS
