Dear Dai

I am writing in response to your Written Question: Will the First Minister confirm the average time period for the confirmation of a positive case of coronavirus following initial testing, during each month since testing began?

I apologise for the delay in responding to this question. Data about the turnaround time for test results is published weekly at <https://gov.wales/testing-data-coronavirus-covid-19>.

Best wishes

A handwritten signature in black ink that reads "Mark Drakeford".
