Cynnig i adeiladu ysgolion ar dir llygredig.

Gan gyfeirio at y cynigion i adeiladu ysgolion ar dir llygredig yng Nghonwy a Chasnewydd, a chan gofio'r buddsoddiad sylweddol y mae'r Cynulliad Cenedlaethol wedi'i wneud yn swydd y Comisiynydd Plant, dylai Aelodau'r Cynulliad barchu ei safbwynt a chefnogi ei farn "…na ddylid bwrw ati â'r cynlluniau hyn ar eu ffurf bresennol."

Proposal to build schools on contaminated land.

With reference to the proposals to build schools on contaminated land in Conwy and Newport, and in view of the National Assembly's considerable investment in the post of the Children's Commisioner, Assembly members should show respect for his position and support his opinion that "…these schemes should not proceed in their present form."

Ehangu mynediad i Dir Gofal

Mae’r Cynulliad Cenedlaethol hwn yn cydnabod y cyfraniad unigryw i stiwardiaeth amgylcheddol a datblygu gwledig a wnaed gan y cynllun amaeth-amgylcheddol Tir Gofal, ac mae’n galw ar lywodraeth glymblaid y Cynulliad i godi’r cyllid i lefel a fydd yn sicrhau y bydd pawb yn gallu manteisio ar Dir Gofal.

Broadening Access to Tir Gofal

This Assembly recognises the unique contribution to environmental stewardship and rural development made by the Tir Gofal agri-environment scheme, and calls on the Assembly coalition to increase funding to a level that will make Tir Gofal accessible to all.
