Dear Bill

You asked the following Written Assembly Question and I apologise for the delay in responding but please find a response as shown here:

Written Assembly Question (WAQ 68557): When will the findings of the analysis commissioned by the Welsh Government and being undertaken by the Stockholm Environment Institute to update the ecological footprint of Wales be published?

We will be publishing the Ecological Footprint of Wales shortly along with the next steps, in light of the changing policy landscape following the new provisions outlined in the Well-being of Future Generations (Wales) Bill and Environment Bill.

Yours sincerely
