**Toriadau yn Amserlen First Great Western yng Nghyffordd Twannel
Hafren**

Mae'r Cynulliad Cenedlaethol yn gresynu at benderfyniad First Great Western i leihau'r gwasanaethau a fydd yn stopio yng Nghyffordd Twannel Hafren yn ystod oriau brig ac yn nodi bod y gwasanaethau hyn yn gyswllt hanfodol ar gyfer cannoedd o gymudwyr sy'n teithio i Gaerdydd a Bryste i weithio.

Cred y Cynulliad Cenedlaethol y dylid datblygu mwy ar y gwasanaethau rheilffordd yng Nghymru er mwyn bwrw ymlaen â system drafnidiaeth integredig ac mae'n annog First Great Western a Railtrack i ddarparu amserlen sy'n cadw'r gwasanaethau hanfodol hyn ar gyfer cymudwyr oriau brig.

First Great Western Timetable Cuts as Severn Tunnel Junction

The National Assembly regrets First Great Western's decision to reduce services stopping at Severn Tunnel Junction during peak times and notes that these services are a vital link for hundreds of commuters travelling to Cardiff and Bristol for work.

The National Assembly believes that rail services in Wales should be further developed to take forward an integrated transport system and urges First Great Western and Railtrack to provide a timetable that continues these vital services for peak time commuters.
