24 March 2021

Dear Peter,

Thank you for recent Written Questions asking me to state whether the Welsh Government is considering providing proof of recovery from a prior COVID-19 infection for people to use when travelling to countries that accept such certification as a precondition for entry.

Recovery Passes are included in the digital NHS COVID Pass service for International Travel where the PCR tests were undertaken in the English public health laboratory system, this applies to 70% of tests. The remaining 30% were undertaken in the equivalent system in Wales, focussing primarily on NHS employees and patients in healthcare settings, we are working with UKHSA and NHS Digital to arrange the inclusion of these tests, we will update our website when this is available.

Yours sincerely,

A handwritten signature in blue ink, appearing to read 'M. E. Morgan'.
