Dear James,

Thank you for your recent written question asking: "Has the Minister or officials ever talked to the NUS or representatives about allegations of anti-Semitism and the removal of the President over the same issue?". My answer is set out in this letter.

Officials have raised the issue with NUS Wales and have been in regular contact with them during the course of the investigations. NUS Wales is a politically autonomous part of NUS UK, its policy and political leadership are decided by students in Wales.

We have received assurances from NUS Wales that the NUS has taken steps to ensure the independence of the investigations.

Yours sincerely,
