Dear Darren

Thank you for your recent Written Question: Will the Minister provide an update on the delivery of improvements to the Maes Gamedd junction on the A494 trunk road in Gwyddelwern and an explanation for the delays in progressing the work?

Unfortunately land negotiations can take some time to resolve and progress has been further impacted by the Covid-19 pandemic. Environmental design for this project is currently being finalised and a WelTAG 3 report will be commissioned shortly.

Yours sincerely
