Dear Assembly Member,

I am writing following exchanges at Business Questions on 3 December and Questions to the Minister for Economy and Transport on 4 December. The exchanges in question related to “how Welsh Government is supporting high streets” and the “town centre first initiative”.

I will be making a statement in plenary on these matters later this month.

During the exchange at Business Questions, the Minister for Finance and Trefnydd mentioned research undertaken by the Carnegie Trust looking at the future of Welsh High Streets. Further information can be found at:

Yours sincerely,

**Hannah Blythyn AC/AM**
