### Notes:

Total births in each calendar year includes: all live and still born in maternity units in each Health Board together with live births born at home, in ambulance or with no recorded place of birth by HB of residence

Midwives are full time equivalent counts as at 30 September in 'Maternity services'

Data for Aneurin Bevan University LHB is not presented because staffing figures are not available at present on a consistent basis; as a result Wales figures are also not shown.
