21 October 2020

Dear Andrew,

I'm writing in response to WQ80883: Will the Minister confirm the daily average usage for the drive-through Covid-19 testing centres across Wales during the month of July 2020, providing a breakdown per centre?

The Daily average number of tests authorised in NHS Wales laboratories for regional testing centres, 29 June to 26 July 2020 are:

Regional testing centre	Daily average of tests authorised in NHS Wales laboratories between 29 June and 26 July 2020
Rodney Parade	637
Llandudno	39
Cardiff City Stadium	129
Abercynon	2
Nant Y Ci Showground	56
Liberty Stadium	36

Source: Public Health Wales

Please note that this only includes the tests authorised in NHS Wales labs. During the time period requested, these test centres transitioned from NHS Wales to UK Lighthouse Labs. The data that NHS Wales received from the UK network for individual cases was not disaggregated by testing site at the time.

The information relating to the number of tests undertaken in UK Lighthouse Labs is held by the Department of Health and Social Care.

Yours sincerely,

Vaughan Gething AS/MS
Y Gweinidog Iechyd a Gwasanaethau Cymdeithasol
Minister for Health and Social Services
