Dear Darren,

I'm writing in response to WQ81194: Will the Minister make a statement on the availability of skin camouflage services in Wales?

I appreciate that appearance-related issues can cause anxiety and affect a person's confidence and skin camouflage can be a useful option for people living with visible marks, scars and skin conditions. Whilst we do not hold any details centrally about skin camouflage services provided by the NHS in Wales, my officials have contacted health boards and I will write to you once we have more information.

Yours sincerely,
